

September Newsletter

Autumn is the official start of the Benedicts season. Normally we would be making the final preparations for the October dance, our first dance of the season. As we previously announced, given restrictions and concerns with COVID-19, shared by many members in their survey response, we cancelled our October dance. The Board has just decided to cancel our November dance as the situation has not changed significantly. We remain hopeful that conditions will improve and we will be able to socialize, dance, and celebrate together in the near future. Given the cancelled fall events, the board is working on securing a venue for a May dance.

With this newsletter you have been sent a link to a video about the Benedicts. We wanted to remind everyone of the fun times and elegant events for which the Benedicts is known. We hope it brings a smile to your face as it does to ours. We want to thank board members Natalia and Florin Vlad for producing this fabulous video for us!!

Included in this mailing is a flyer for our dance workshop on October 10th. As a reminder, if you renew your Benedicts membership by October 1st, you may attend the workshop in person for free. If you prefer not to attend in person, you will be sent a video of the workshop afterwards. Please note the workshop is limited to 12 in-person couples. You must be pre-registered in order to attend. Please contact Jane Crandell to register.

Thank you to everyone who has already renewed your membership! And a special thank you to those who have donated to the Benedicts. We are thankful for each of you. As a reminder, our dues help cover our administrative expenses, such as insurance, as well as give us funds to ensure we can make deposits for future events. Please consider renewing your membership so that the Benedicts can continue to offer the elegant events for which we are known.

We look forward to seeing you soon!
