

October Newsletter

We were excited to hear that we had 44 member and guest couples at the October dance to kick off the start of our season! Russ and Ann did an excellent job with our fall theme. The Edison Club staff always provides excellent service and serves delicious food. The music of Spectrum was enjoyed by all. We were happy to have them back with us this season. We were very sorry to have missed this event. We do have a pearl earring that was recovered after the dance in the area of Tables 10 and 11. If this earring belongs to you, please contact us.

Enclosed with this newsletter you will find the November dance invitation. We will be Dancing Under the Moon and Stars at the Polonaise Ballroom at the Polish Community Center, one of the best dance floors in the area, with an equally large and great band, the Georgie Wonders Orchestra. Joyce and David Staschak are planning another wonderful event. We hope to see you all there!

We are doing well on our membership, with 58 couples so far. If you haven't yet renewed your membership, please do so to help in our planning. We also encourage you to bring guests to our dances. It is the best way to introduce people to our amazing club so they will want to join.

We will be hosting another dance workshop on Saturday, January 11th. Mark your calendars now. More details will be coming out shortly. We hope you take advantage of this great opportunity to refresh your dancing skills and socialize with fellow Benedicts members in a more casual setting. Bringing friends is encouraged to further grow our Club.

The 2019-2020 schedule for the remaining events is listed below. Please mark your calendars now to join us for these dances.
